

STOCK TRANSFER INSTRUCTIONS AND FORM

The Peddie School's preferred method of transfer of stocks held in "street name" is via electronic transfer. If the stocks are DTC (Depository Trust Company) eligible, they may be transferred electronically to:

The Peddie School account at Merrill Lynch, which is **DTC # 8862**.

The appropriate account is **The Peddie School # 876-04A54**.

Our agent at Merrill Lynch is: **David Shea, david_c_shea@ml.com, (609) 243-7932**.

The value of a charitable gift of readily marketable stock is based on the mean between the high and low share price on the day the stocks are received into an account at The Peddie School.

Please note: A donor's instructions to a broker to transfer stock are not sufficient to complete the gift. The date of gift is the date that the DTC actually transfers your stock into The Peddie School's account.

While it is possible to have stocks reissued in a charity's name, we do not recommend this method of transfer for charitable gifts. The time delay in the reissue process may cause a variance in the value of the stocks, and the official date of the gift would be the date the stocks are reissued in The Peddie School's name, rather than the date the donor authorized the transfer. This might cause the official gift date to fall in a tax year or fiscal year different from the one intended by the donor.

The Peddie School's Tax Identification Number: 21-0634492
